For the effective operation of the Club, in the conducting of all activities:

Whereas photography is a hobby for the Crescent Beach Photography Club members, planned activities add to the enjoyment of the hobby.

It is hereby stipulated that each person participating in any Club sponsored event or competition does so of his/her own accord and at his/her own risk. The Club, its elected directors, officers, and appointed chairpersons assume no responsibility for the personal safety, or the safety of any equipment or photographs, of those who do participate.

Participation is acknowledgement by those participating that they, individually, assume all risks involved and will not hold the Crescent Beach Photography Club or its elected directors, officers, or chairpersons responsible.
